

Hampton University School of Science
YOUNG DOCTORS PROGRAM

Before- and After-Program Care Acknowledgement Form

June 22 – July 23, 2009

To the Parents/Guardians of 2009 YDP students-

The Young Doctors Program is not a residential program, and all students must be dropped off and picked up daily. The regular program hours are 9am – 3pm, M-F (with the exception of 7/3/09).

To help accommodate working parents, free before- and after-care is available from 8-9am and 3-4pm. There is a fee for after-program care beyond 4pm, and parents needing extended care can choose to either pay an hourly rate or a one time fee. The hourly rate is intended for parents who will only occasionally pick up their child after 4pm. Parents who will regularly pick up their children after 4pm should choose one of the single payment methods.

Use the chart below to determine which option is right for you:

When will you pick up your child?	You should pay
Before 4pm every day	nothing
4pm-5pm every day	\$75 up front
5pm-6pm every day	\$115 up front
Not sure?	\$5 per hour

If you choose one of the one-time fee options, your after-care payment will be due on June 22. If you pay by the hour, you will be billed at the conclusion of the program. Young Doctors Program staff will be available to supervise all students during the before- and after-program sessions.

The Young Doctors Program cannot accommodate students dropped off before 8am or picked up after 6pm, and will not accept students who cannot abide by this requirement.

By signing below, you acknowledge that you understand and agree to the above terms, and that your child will arrive no earlier than 8am and be picked up no later than 6pm, daily.
