

Hampton University School of Science
YOUNG DOCTORS PROGRAM

After-Program Release Form

June 22 – July 23, 2009

To the Parents/Guardians of 2009 YDP students-

For the safety of all students in our program, your child must remain supervised at all times while on campus. If you are unable to pick up your child from the Science and Technology building on a daily basis, then we must know what arrangements have been made to accommodate your child at the end of the day. If your child will be walking to an on-campus building or using public transportation, please use this form to let us know.

Please describe the arrangements made for your child in as much detail as possible (i.e., bus route/time, building name, etc):

Time to release student: _____

Does student require chaperone? _____

Please note that we expect your child to go *directly* to the destination you have described above. We will not release your child may to wait unsupervised at another location on campus.

Student's Name: _____

Parent Name: _____

Parent Signature: _____

Date: _____
