

Hampton University School of Science
YOUNG DOCTORS PROGRAM

Field Trip Information Form

June 22 – July 23, 2009

To the Parents/Guardians of 2009 YDP students-

The Young Doctors Program will attend the following four field trips this summer:

- Friday, June 26 – Virginia Zoo (Norfolk)
- Thursday, July 2 – VA Air and Space Center (Hampton)
- Friday July 10 – Nauticus (Norfolk)
- Friday, July 17 – VA Marine Science Center (Virginia Beach)

A form granting your child permission to attend the field trips is attached. Please take a moment to review this form, then fill out and sign the attached form. Keep this sheet for future reference.

Below are a few points applicable to each field trip:

- During the first week, your child will be provided with a T-shirt with the program name and logo. **Please make sure your child wears this T-shirt on all field trips**, as it helps the chaperons keep the group together. Your assistance in this matter is greatly appreciated.
- Lunch will be provided at a local restaurant (Wendy's, Burger King, etc.).
- For each field trip, the bus is scheduled to leave shortly after 9am, so please be sure to have your child on campus early, since **we have no provisions for childcare for children who arrive after the group has left for their trip.**
- The group should be back well before 3pm for all field trips with the possible exception of the final trip to Virginia Beach. If traffic delays the group's return from that trip, campus police will be notified and will attempt to inform parents waiting for children.
